

1966 LAND-ROVER 88" STATION WAGON (RHD)

*OFFICIAL CAR OF HIS HOLINESS
THE 14TH DALAI LAMA
NOW AVAILABLE FOR PURCHASE*

*T*his completely restored 1966 LAND-ROVER, previously owned by the 14th Dalai Lama of Tibet, has been generously donated by his youngest brother, Tendzin Choegyal, to the Dalai Lama Foundation here in the United States to be sold at auction. All proceeds from the sale of the vehicle will benefit the ongoing programs of the Dalai Lama Foundation here and abroad.

The Dalai Lama Foundation's board of directors has recently decided to offer the vehicle for purchase to a select group of potential buyers before it goes to auction. This provides an amazing, once in a lifetime opportunity to own this special piece of history. The vehicle was the Dalai Lama's personal and official car from approximately 1966 - 1976 in Dharamsala India. During that time it was the Dalai Lama's primary method of transportation.

The vehicle began its journey to the U.S. from Dharamsala, India in the Fall of 2005. It arrived in San Francisco by cargo ship on September 15th 2005. Soon after it's arrival the vehicle underwent a complete restoration at West Coast British in Livermore, California. The vehicle was completely disassembled, cleaned, repaired and reassembled. Each individual nut and bolt was cleaned and re-plated for use in the restoration. The vehicle is now in immaculate condition, having been completely transformed back to its original luster.
